Towards the eastern edge of Singleton Campus, the James Callaghan building houses a 130 capacity lecture theatre and accompanying flat-floor spaces which are perfect for smaller meetings and events.

James Callaghan's also features a bright and spacious networking area and boasts its very own coffee shop, proudly serving Starbucks Coffee.

James Callaghan's is located in close proximity to other buildings on Singleton Campus, which lends itself to being used for additional spaces for larger conferences and events taking place on campus.
